INDEPENDENT AUDITOR'S REPORT

To The Board of Directors

Orange County Head Start, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Orange County Head Start, Inc. ("OCHS") (a nonprofit California corporation), which comprise the statement of financial position as of June 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT (continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of OCHS as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters -

Other information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental schedules for the year ended June 30, 2015 of activities by grant, of expenses by category, of expenses by Head Start Centers, of expenses compared to budget and of reported meals and earned reimbursement are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedules of expenditures of federal awards for the years ended June 30, 2015 and 2014 as required by Office of Management and Budget Circular A-133 Audits of States, Local Governments, and Non-Profit Organizations are presented for purposes of additional analysis, and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we also have issued our report dated December 15, 2015, on our consideration of OCHS' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering OCHS' internal control over financial reporting and compliance.

Note 1

ORGANIZATION AND PURPOSE

The Head Start Program, administered by Orange County Head Start, Inc. ("OCHS") in the Orange County area, is a comprehensive child development program designed to meet the educational, emotional, social, health, and nutritional needs of children and families. The program encompasses much more than what is generally thought of as a preschool program. The overall goal of Head Start is to bring about a greater degree of "social competence" to children and their families. Social competence refers to the everyday effectiveness in dealing with both present environment and later responsibilities in school and life. Children and families leave Head Start more confident in their own abilities and ready to succeed.

Nationally, Head Start began providing services in 1965 and is now available to children and families in counties throughout the country. Locally, OCHS has been in existence since 1979 and currently provides services to over 4,000 children. Head Start services are available to preschool children from low-income families at no cost. OCHS has centers located throughout the county.

Program services:

Early Childhood Development and Health Services— This program promotes school readiness by enhancing the social and cognitive development of low-income children including children with disabilities through the provision of comprehensive health, educational, nutritional, social and other services necessary for a child's learning.

Family and Community Partnership – The program encourages and promotes parent involvement in their children's learning and helps parents make progress toward their educational, literacy, and employment goals.

Every OCHS center elects parent representatives to serve a one year term on the Policy Council Board. This board, along with a community member Board of Directors, provides governance oversight for OCHS.

Program Design and Management – The program also provides training and technical assistance to OCHS's program staff.

Note 2

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:

The financial statements of OCHS are prepared on the accrual basis of accounting and, therefore, include all support and revenues when earned and all expenses when incurred, regardless of whether the support, revenue or expenses were received or paid as of the end of a fiscal period. Grants are recognized as support when earned in accordance with the terms of each grant or agreement.

In preparing these financial statements, OCHS evaluated the period from July 1, 2015 through December 15, 2015 the date the financial statements were available for issuance for subsequent events requiring recognition and or disclosure in the accompanying financial statements.

Basis of presentation:

OCHS follows the provisions of the Financial Accounting Standards Board ("FASB") in its Accounting Standards Codification ("ASC") 958, Not-for-Profit Entities. Under these provisions, net asset and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of OCHS and

changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that will be met either by actions of OCHS and/or the passage of time. There were \$173,207 and \$135,654, in temporarily restricted net assets as of June 30, 2015 and 2014.

Permanently restricted net assets - Net assets subject to permanent donor-imposed stipulations that OCHS maintain them permanently. Generally, the donors of these assets permit OCHS to use all or part of the income earned on related investments for general or specific purposes. There were no permanently restricted net assets at June 30, 2015 and 2014.

Revenues are reported as increases in unrestricted net assets, unless use of the related assets is limited by donor-imposed Expenses reported restrictions. are decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets, unless their uses are restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donorstipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the classes of net assets as applicable.

Accounting for grant revenue:

A majority of OCHS's revenue is derived from governmental grant awards that are restricted to specific program or project support. Current grant revenue is recognized as expenditures are made or liabilities are incurred in connection with fulfilling the specific restricted purposes of the award. Cash received in excess of grant expenditures is accounted for as restricted advances. Expenses incurred, which are not yet reimbursed, are accounted for as grants receivable.

Receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to the statement of activities and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances outstanding management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to grants, contracts, or accounts receivable.

Fair value of financial instruments:

OCHS's financial instruments, including cash and cash equivalents, grants and other receivables, accounts payable, and other liabilities are carried at cost, which approximates their fair values because of the short-term maturity of these instruments.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the respective reporting period. Actual results could differ from those estimates.

Cash and cash equivalents:

For the purposes of the statement of cash flows, OCHS considers all highly liquid accounts available for current use with an initial

maturity of three months or less to be cash and cash equivalents.

Property and equipment:

Assets acquired through grant resources are considered to be owned by the grantor while such assets are in use under the funded program, or while they are being used for a similar program. Any dispositions of restricted assets or funds derived therein are subject to grant regulations. The total cost of fixed assets acquired through grant resources and on hand at June 30, 2015 and 2014 was \$6,248,822 and \$6,272,997, respectively. For the years ended June 30, 2015 and 2014, the property and equipment use allowance recognized was \$191,888 and \$206,880, respectively.

Commitments and contingencies:

OCHS participates in the federally assisted Head Start Grant Program. This Program is subject to compliance requirements established by the grantor. Failure to meet such compliance requirements could result in a liability for reimbursement of grant funds. Management believes there is no liability for such reimbursement as of June 30, 2015 and 2014, respectively.

The Office of Head Start has been providing grants for an indefinite project period. This indefinite project period has ended as of June 30, 2014. The Office of the Head Start is moving from indefinite project periods to definite project periods of five years (60 months) for all Head Start grantees as part of the Designation Renewal System ("DRS"). DRS established by the Department of Health and Human Services to determine whether the Head Start and Early Head Start agencies high-quality and comprehensive services to the families they serve. The DRS established five year grant periods for all Head Start service awards, with many agencies receiving further five year grants without competing for funding.

The following conditions are required for the grants: Governance, Health and Safety, School Readiness and Audit Training are required for all five year grants on the Notice of Award ("NoA"). Each grantee will complete activities outlined and, where required, submit results to the Regional Office within identified time frames.

An agency needs to meet the standards of the required condition in order to be eligible for funding without competition.

OCHS is operating under the five year grant period.

Risk management:

OCHS is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which OCHS carries commercial insurance.

Donated services:

Donated services are recognized as contributions in accordance with FASB ASC 958, *Not-for-Profit Entities*, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by OCHS. Volunteers also provided services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria under FASB ASC 958 were not met.

Income taxes:

OCHS is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is also exempt from California franchise taxes under Section 23701(d) of the

Revenue and Taxation Code and, therefore, has made no provision for Federal or California income taxes. In addition, OCHS was determined by the Internal Revenue Service to not be a "private foundation" within the meaning of Section 509(a) of the Code.

OCHS follows the provisions of FASB ASC 740-10. *Income Taxes* and subsections thereof. Accordingly, OCHS accounts for uncertain tax positions by recording а liability unrecognized tax benefits resulting uncertain tax positions taken, or expected to be taken, in its tax returns. OCHS recognizes the effect of income tax positions only if those positions are more likely than not of being sustained by the appropriate taxing authorities. OCHS does not believe that its financial statements include any uncertain tax positions and accordingly, has not recognized any liability unrecognized tax benefits in accompanying financial statements.

Risk concentration:

Approximately 84% of the funding for OCHS comes from the U.S. Department of Health and Human Services ("DHHS") for the years ended June 30, 2015 and 2014, respectively. At June 30, 2015 and 2014, amounts due from DHHS in grants receivable were \$383,227 and \$0 which accounted for 53% and 0%, respectively, of total grants receivable.

In addition, amounts due from the State of California for the child care food program were \$342,935 and \$237,987 as of June 30, 2015 and 2014 which accounted for 47% and 100%, respectively, of total grants receivable.

Financial instruments and credit risk concentration:

OCHS' cash funds are exposed to credit loss for the amount of funds held in financial institutions in excess of the Federal Deposit Insurance Corporation ("FDIC") insured limits of \$250,000. At various times, OCHS had cash in banks in excess of the FDIC limits during the years ended June 30, 2015 and 2014. It is the opinion of management that the solvency of the financial institution is not of particular concern at this time. OCHS has not experienced and does not anticipate nonperformance by such institutions.

OCHS is required to maintain a separate bank account for the State Child Care Food Program.

Note 3

GRANTS RECEIVABLE

The balance of grants receivable represents amounts due from the following funding sources:

As of June 30,	2015	2014
Head Start	\$ 383,227	\$ -
Child Care Program	342,935	237,987
Total grants receivable	\$ 726,162	\$ 237,987

OCHS has not accrued an allowance for uncollectible receivables as of June 30, 2015 and 2014, respectively, since it is the opinion of management that it is highly probable that all receivables will be collected. Furthermore, OCHS has not experienced any significant write-offs in past years, as all grant receivables are owed by governmental agencies with committed funding arrangements.

Note 4

COMMITMENTS

Leases:

OCHS has entered into several leases for classrooms and office space. The terms of the leases vary and are concurrent with the fiscal year. For the years ended June 30, 2015 and 2014, OCHS incurred \$1,007,528 and \$935,498, respectively, in rent expense.

In addition, OCHS received a total of \$1,290,471 and \$1,294,275 of in-kind rent for the years ended June 30, 2015 and 2014, respectively.

OCHS also leases certain office equipment under leases classified as operating leases. For the years ended June 30, 2015 and 2014, OCHS incurred \$151,288 and \$136,701, respectively, in office equipment rent expense.

Future minimum lease payments required under operating leases having initial or remaining non-cancelable lease terms in excess of one year at June 30, 2015 are as follows:

For the year ending June 30,	Total
2015	\$ 1,194,541
2016	1,031,874
2017	981,748
2018	902,142
2019	803,950
Thereafter	379,106
	\$ 5,293,360

OCHS lease agreements include a clause that OCHS has the right to terminate lease agreements when federal funding issues occur except for the lease of its main office.

NOTE 5

EMPLOYEE RETIREMENT PLANS

Qualified administrative employees and employees of the sites operated by OCHS are covered under a retirement plan whereby OCHS contributes an amount up to 7 percent of gross salaries of OCHS staff members into a tax-sheltered annuity program.

For the years ending June 30, 2015 and 2014, OCHS' retirement contributions totaled \$805,077 and \$835,150, respectively.

Qualified employees of those delegate agencies electing to provide for employee retirement are covered by various contributory retirement plans. OCHS reimburses the delegate agencies for contributions made on behalf of qualifying employees.

NOTE 6

FUNCTIONAL EXPENSES

Directly identifiable expenses are charged to program services. Expenses related to more than one function are charged to program services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of OCHS' programs.

Functional expenses for the fiscal years ended June 30, 2015 and 2014 are as follows:

For the years ended

June 30,	2015	2014
Program service	\$ 37,103,137	\$ 34,562,458
Management and general	3,904,989	4,279,146
Total expenses	\$ 41,008,126	\$ 38,841,604

Note 7

IN-KIND CONTRIBUTIONS

Values assigned to in-kind contributions and the related expenses are based on federal guidelines. In accordance with those guidelines, values are based upon estimated area-wide averages for purchased services, facilities, or supplies of a similar type. In-kind contributions recognized under generally accepted accounting principles ("GAAP") were \$5,135,834 and \$4,268,343 for the years ended June 30, 2015 and 2014, respectively.

In addition, donated parent and volunteer services with an estimated value of \$2,774,825 and \$3,244,961 for the years ended June 30, 2015 and 2014, respectively, were not recognized in the financial statements as they did not meet the criteria for recognition under FASB ASC 958.

A summary of in-kind contributions received and reported and in-kind contributions meeting criteria of FASB ASC 958 and included in the statement of activities under various expense categories for the years ended June 30, 2015 and 2014 is as follows:

For the years ended June 30,

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors

Orange County Head Start, Inc.

Santa Ana, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Orange County Head Start, Inc. ("OCHS") (a nonprofit California Corporation), which comprise the statement of financial position as of June 30, 2015 and 2014, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated December 15, 2015.

Internal Control Over Financial Reporting

In planning and performing our audits of the financial statements, we considered OCHS' internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of OCHS' internal control. Accordingly, we do not express an opinion on the effectiveness of the OCHS' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audits we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether OCHS' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the OCHS' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering OCHS' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Rossi LLP

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Board of Directors

Orange County Head Start, Inc.
Santa Ana, California

Report on Compliance for Each Major Federal Program

We have audited Orange County Head Start, Inc.'s ("OCHS") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of OCHS' major federal programs for the years ended June 30, 2015 and 2014. OCHS' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of OCHS' major federal programs based on our audits of the types of compliance requirements referred to above. We conducted our audits of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States*, *Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about OCHS' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audits provide a reasonable basis for our opinion on compliance for each major federal program. However, our audits do not provide a legal determination of OCHS' compliance.

Opinion on Each Major Federal Program

In our opinion, OCHS' complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the years ended June 30, 2015 and 2014.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133 (Continued)

Report on Internal Control Over Compliance

Management of OCHS is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audits of compliance, we considered OCHS' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of OCHS' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
